Dear Friends at St. Paul's,

It is so wonderful to see how God continues to bring the right people into your life - they are people who support you regardless of the circumstances. This describes all of you. Over the years, you continue to support our Head Start families and you do this with no questions asked.

Words can not express our gratitude to each and every one of you. You have touched so many lives with your kindness and generosity. It takes very special people to make someone smile with tears in their eyes. You are all very special! Thank you for being who you are.

Thank-you to all who participated in this project. This is just one example of St. Paul's outreach into the community.
